Chuck,

With the extra financial burden of absorbing the O&M activities from GSA, paying the NPIC SLUC charges, and facing other unfunded requirements, I am in a real bind to pay for this conference. ~~Can you cover this one?~~

MEMORANDUM FOR: Executive Director

VIA: Deputy Director for Administration
Director of Personnel

FROM:
Director of Training and Education

STAT

SUBJECT: Approval for Second Conference on "Intelligence:
The Organization and the Profession"

1. This asks that you approve a proposal by the Center for the Study of Intelligence (CSI) for a second conference on "Intelligence: The Organization and the Profession."

2. As was the case the first time, the Office of Personnel hopes to use such a conference to expand its contacts in the academic world and in the process enhance the content and presentation of college level courses on Intelligence. In planning and staging the conference, CSI will work closely with the Offices of Personnel, Security, and Public Affairs.

3. If you approve, the conference will be held 11 - 13 June at Headquarters.

4. Funds are not available and will have to be identified--perhaps as an unfunded requirement.
